

IVX Cassette

VRF IX Comfort Cassette (800x800)

Greater flexibility

The installation of 3 and 4 HP units allows up to 70m of pipe run and 30m of height difference. (Fig. 2)

Greater flexibility
The installation of 3 and 4 HP units allows 70m of pipe run and 30m of height difference (Fig. 2)

Easy installation of up to 4 units

70m of pipe run and 30m of height difference.
(Fig. 2)

Easy installation of up to 4 units

Allows independent climate control of up to 4 different spaces. Installation is simplified thanks to a common refrigerant circuit.

Presence sensor

Easy installation of up to 4 units

different spaces. Installation is simplified thanks to a common refrigerant circuit.
